☐ An activity which is of such nature and in such location that it may be concluded that the activity's clientele will primarily be low and moderate income persons.

4. When inspecting the facility/service, is there any reason to believe that this activity does not meet the needs of low and moderate income persons? _____ Yes _____ No

5. If yes, the reason for believing that this activity does not meet the needs of low/mod persons is because:

- () Although beneficiaries are members of a segment of the population presumed to be low/mod by Grant Services, there is reason to believe the majority are **not** low/mod, or
- () At the site of the activity, information on the income status of participants is not being requested or updated or properly assessed as it should be, or
- () Although the nature and location of an activity would lead you to believe that the beneficiaries are low/mod, viewing the activity leads you to think otherwise.

6. Based on the above, do you believe the activity qualifies as benefiting low and moderate income persons? _____ Yes _____ No

If no, explain: _____

7. () **Housing Activities:** Regulation Reference 570.208(a)(3) and 570.483(b)(3)

An eligible activity carried out for the purpose of providing or improving permanent residential structures which, upon completion, will be occupied by low and moderate income households. Which of the following eligible activities does this project address?

- () Acquisition or public infrastructure (51% LMI)

8. () **Job Creation/Retention:** Regulation Reference 570.208(a)(4) and 570.483(a)(4)

An activity designed to create or retain permanent jobs where at least 51% of the jobs, computed on a full time equivalent basis, involve the employment of low and moderate income persons. The activity must meet the following criteria:

- () For an activity that creates jobs, grantee must document that at least 51% of the jobs are held by or have been made available to low and moderate income persons.
- () For an activity that retains jobs, the grantee must document that the jobs would actually be lost without the CDBG assistance and that either or both of the following conditions apply with respect to at least 51% of the jobs at the time the CDBG assistance is provided:
 - () The job is known to be held by a low or moderate income person, **OR**
 - () The job can reasonably be expected to turn over within two years after project completion, and that steps will be taken to ensure that it will be filled by, or made available to, a low or moderate income person upon turnover.

9. Provide the following information relative to this project:

Jobs goal
 Jobs actual (at date of monitoring)
 Number LMI
 Percentage LMI
 Were the jobs created those listed on the job creation agreement? If not, is a justification provided?

10. Describe methodology used to properly document compliance with job creation/retention regulatory requirements: _____
